'luigi ghirri kodachrome and the plete essays 1973

april 19th, 2020 - kodachrome is an incredible
body of work and if you have the slightest
interest in vernacular landscape or the way the
camera can be made to render the landscape you
owe it to yourself to pick up a copy the plete
essays 1973 1978 is i think essential for anyone
thinking about photography ghirri is as much a
theorist as a photographer and his writing is
easily as full as his photography'
